OFFICE OF PETITIONS

Sir:

Petition to Withdraw an Application from Issue Under 37 CFR 1.313(c)(2)

Applicants respectfully request Withdrawal from Issue of the above-identified Application under 37 CFR 1313(c)(2).

In accordance with 37 CFR 1313(c)(2), Applicants concurrently file herewith a Request for Continued Examination under 37 CFR 1.114 and an Information Disclosure Statement which includes Form PTO-1449.

Applicants note that the issue fee and publication fee for the above-identified Application were paid on February 10, 2005. Applicants have discovered that the references cited in an International Search Report mailed on June 8, 2001 by the International Search Authority in a corresponding International Application (number PCT/US01/08793) have been inadvertently omitted from the Information Disclosure Statement filed in the above-identified Application on April 17, 2002. The enclosed Form PTO-1449 discloses the International Search Report and the references cited in the International Search Report.

Applicants respectfully submit that none of these references, alone and/or in combination with other references of record, affects the novelty and/or patentability of the claimed invention.
